

## Award in The Behaviour of People at Work MQF Level 5 (4 ECTS)

Welcome to 21 Academy

### Online Academy Policies

-  Please leave your cameras on at all times. We want to see you and we want to know that you are still there.
-  The more the lecturer sees of you and your reactions to what is being said, the easier it is for the lecturer to deliver an effective lecture.
-  As much as possible avoid using the chat box for asking your questions. Unmute yourself and ask your question, you would not have been sending a WhatsApp message or an email to the lecturer had you been following the lecture in class 😊

You have been given access to the **Course Resource Centre** where you will find

-  The presentations delivered after each lecture
-  A summary of each lecture's content and the suggested reading material to help you understand the lecture better
-  In the resource centre you will also find a link to our Policies and Procedures as well as the Student Handbook
-  You will have the **1 lecturer** during this course

Ms Sonya Sammut

Always contact us on [info@advisory21.com.mt](mailto:info@advisory21.com.mt) and if your email requires the lecturer's attention we will forward accordingly

## Recording

As you have been made aware, the lectures will be recorded. This does not mean that you do not attend because you have peace of mind that the recording is available. Following a recording might not answer the questions that come to mind when you are following a live lecture and your questions may remain unanswered. Please try and, as much as possible, join the live lectures.

For those who have a valid reason not to join we will send them a link to the recording.

-  Link will not be automatically sent to absent students but will only be sent upon request which should be made before or until noon on the day after the lecture is delivered
-  Once link is sent to you it will expire by the following lecture
-  Recording cannot be downloaded and thus viewing can only take place while you are online
-  It is the Academy's policy that unless there is a legitimate reason to do otherwise all lecture recordings will be deleted at the end of the study unit.

## Assignment

There will be one assignment and students will have a choice out of 3 questions.

-  Assignment deadline will be 26 January 2023 - course ends on 12 December 2022
-  The nominal word count for the assignment is 2,500 words.
-  Remember that your course is at MQF Level 5 (same level as an Undergraduate Diploma) so you are expected to deliver an assignment up to that standard. You are expected to have an assignment which is well structured, which does not contain excessive copied phrases.
-  Nowadays Word helps you with citations and if you do not want to use that, a website such as citethisforme.com helps you too... and it is free.
-  An assignment's assessment will not be about your knowledge of the subject only, but you will also be assessed according to presentation, referencing and uniqueness of the content.
-  All assignments will be screened against plagiarism. Any assignment which scores more than 20% similarity will not be sent to the assessor.
-  More information is available in the course resource centre

## Presentation

You will have to deliver a 10-minute presentation during the last session of the study programme scheduled for the 12 December.

-  Presentation submission on turnitin should be at least 30 minutes before the session starts on 12 December 2022

-  We will issue the results all at once and once all assignments have been corrected
-  We will allow a 7-day period for anyone wishing to have the assignment reviewed
-  Once the review process is closed, we will re-issue results and this time we will also give you the class average for the questions you have answered.
-  The certificate in electronic copy will be sent to successful students soon after and a hard copy will be made available a few days after.
