PORTUNITIE

SWOT Analysis

Opportunities Approach...

Well known CEO with a good track record
Uses TESLA stores instead of distributors
1st to produce electric luxury cars
Proprietory Technology

CEO is also CEO to Space X and others

Infrastructure for electric cars not yet developed

Customers still wary of such technology

Price

Increasing awareness & support - environmentalists

Large International marketing potential

Popular in Younger Age Groups

Lower price models appealing to a wider audience

Advanced technology leading to longer battery life Price

First time buyers

Increasing fuel price

Know how - strong ties with other companies (Space X etc)

Competition from established companies

Law suits inhibit/delay innovation

Loss of Gov subsidy will drive prices up

Opportunities Approach...

Well known CEO with a good track record Uses TESLA stores instead of distributors

1st to produce electric luxury cars

Proprietory Technology

Popular in Younger Age Groups

Increasing awareness & support - environmentalists

Large International marketing potential

Lower price models appealing to a wider audience
